November 2, 2005

Drugs, Alcohol, Tobacco Abuse Prevention Recently uncovered in SW Washington State

Teens Participate

Wahkiakum County Youth have been participating in Training opportunities over the last several years conducted by American Cancer Society—SpeakOut, American Lung Association TATU, Clark County Health Department - Youth Advocacy and DOH Youth Workshop Training.

DATAP has participated in parades & rally's in Cathlamet, Yakima & Olympia.

Youth have trained their peers using Teens, Tobacco & Media curriculum. They have also conducted workshops at the annual prevention summits and a local day camp.

Pledge Wall

DATAP asked community members to Pledge to be Drug, Alcohol & Tobacco Free by placing a tempera print of their hand on the wall shown below.

DATAP participants love having fun, meeting new people, especially other prevention groups.

Secret “key ingredients” in keeping this group motivated are Food, Fun, Fame, Friends and Family.

Workshop Presenters at Prevention Summit in Yakima

T.O.W.N. (Tobacco's One Worst Nightmare) produced a public service announcement with the help of the ESD 112 rep Paul Davis and Jon Dearmore from the local Sheriff's department.

DATAP youth participate as board member on Youth Commission.
